

# Nationally-Ranked Oregonian High School Athletes

Oregon student-athletes have been well-represented among the top of Track & Field high school national rankings. These rankings generally reflect the top-50 per event in the nation (+/- a dozen in any given year). They have been published annually in most of the Who's Who, and are sourced originally from Track & Field News and Jack Shephard; should TFNews not be available then we might tap Athletic.Net for rankings if we could not get our primary source, but this has not yet happened.

Over 130 Oregon high schools have had at least one athlete make this prestigious ranking.

The information below is event / national ranking / name / school / mark

2024 Girls					2024 Boys				
Distance Medley 1	3	Lincoln		11:33.67a	Distance Medley 2	1	Crater		9:44.30a
